COMPLETION OF RECORD

Sir:

In the Information Disclosure Statement that was filed on March 8, 2002 in the present application, among the documents brought to the Examiner's attention was the following document:

(1) KR 99-30989.

A copy of this document, including an English language Abstract, was submitted with the Information Disclosure Statement on March 8, 2002 and listed on a Form PTO-1449 that accompanied the Information Disclosure Statement. However, on a return copy of the Form PTO-1449 that accompanied the Information Disclosure Statement, citation to KR 99-30989 was altered to KR 99-30983 and consequently the citation to KR 99-30989 was not initialed by the Examiner.

Applicants submitted a completion of record to correct this error on the part of the U.S. Patent and Trademark Office on November 26, 2007. However, in a communication issued on December 4, 2007, the U.S. Patent and Trademark Office indicated that the completion of record submitted on November 26, 2007 failed to comply with the provisions of 37 C.F.R. 1.97(d).

As previously established, KR 99-30989 and an English language Abstract thereof were properly and timely submitted on March 8, 2002, prior to the issuance of any Office Action in the present application. Accordingly, consideration of KR 99-30989 and an English language Abstract thereof is proper without any certification or fee.

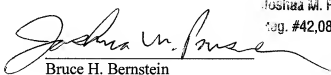

A copy of the front and back of the filing receipt submitted with the Information Disclosure Statement on March 8, 2002, date stamped as received by the U.S. Patent and Trademark Office, and listing KR 99-30989 and an English language Abstract thereof, is submitted herewith.

To complete the record, Applicants have again listed a citation to KR 99-30989, as well as citation to an English language Abstract, on an attached Form PTO-1449. Accordingly, Applicants respectfully request that the Examiner initial the appropriate spaces on the attached Form PTO-1449 and return a copy of the completed Form PTO-1449 to Applicants to confirm consideration of the document. Acknowledgement of consideration of document (1) and the English language Abstract is proper at least because these documents were submitted to the U.S. Patent and Trademark Office with an Information Disclosure Statement on March 8, 2002, and because these documents were properly listed on a Form PTO-1449 submitted with the Information Disclosure Statement on March 8, 2002. Should the Examiner not have a copy of the Information Disclosure Statement of March 8, 2002 available to him, he is respectfully requested to contact the undersigned who will provide a duplicate copy of the Information

Disclosure Statement together with a mailroom date stamped filing receipt as evidence of the filing of the Information and Disclosure Statement on March 8, 2002.

Should the Examiner have any question, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
You-Jin EUN et al.
